Situated in the sought after parish of Forest, conveniently located for the local school and surrounding amenities, this spacious brand new built house is nearing completion and offers a truly stunning family home. The property is being completed with specific attention to detail and will be inclusive of quality fixtures and fittings and will benefit from under floor central heating throughout, which will be produced by an energy efficient air source heat pump and will reduce running costs by an estimated 75%. The main house accommodation will consist of four spacious bedrooms three of them to benefit from modern en-suite facilities, an open plan living design incorporating a fully fitted contemporary style kitchen with the most up to date fixtures and fittings, large lounge and dining area, a separate shower room, w.c and utility room with door leading into integral garage. A particular selling point for this property is the huge benefit of an adjoining dower unit providing further bedrooms, and living area, which could also be used as a superb home office, and a unique feature of the layout is that the ground floor is totally mobility friendly and unusually an early purchaser will be able to choose their preferred finishes throughout making this a truly bespoke property. Externally is an extensive rear patio area that can be accessed via double doors leading from the living room/dining area, ideal for entertaining. This low maintenance property makes for an ideal family home and offers the chance for purchasers to get involved with their new property and have a choice of finishes at this early stage. To discuss this property further, inspect the Architects plans and discuss the finishes, call Chateaux today on 244544.
